<TEXT>I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

I seldom use my wireless phone--I don't think I use it more than twice a month. We only keep it in case of emergencies while traveling. I don't want to lose these benefits so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely George Krall, 836 Top of the Thumb La Ellison Bay WI 54210
